

CONTRACTOR'S QUALIFICATION STATEMENT

This form is for use in evaluating the qualifications of Metropolitan Glass, Inc. It includes the same information as required on AIA Document A305.

For further information please visit our website at www.metroglass.com

Date:
Submitted To: _____ Submitted By: Metropolitan Glass, Inc.
6400 Franklin Street
Denver, CO. 80229-7230
Phone: (303) 853-GLAS (8527)
Fax: (303) 288-4000

Project Name: _____

TYPE OF WORK:

Metropolitan Glass, Inc. ("MGI") is experienced in: glass and glazing, aluminum entrances, glass handrail, curtainwall, aluminum panels, glass entrance doors, interior glass walls, window wall, skylights, and steel windows.

ORGANIZATION:

MGI has been in business, as a sub-contractor, since 1964, under our present name and was incorporated in the State of Colorado in March of 1964.

LICENSING AND EXPERIENCE:

MGI holds licenses in the States of: Colorado, New Mexico, and Arizona, with reciprocal capabilities in Utah and Nevada. MGI is also licensed in: Denver, Denver Suburbs and selected mountain towns and Northern Colorado cities.

We are available to work in any area of Colorado and surrounding states.

MGI specializes in commercial construction. However, we do not perform retail, residential or auto glass. All work is performed by our in house work-force.

We have never failed to complete a project and none of our officers have ever been connected with an organization that failed to complete a project. There are no judgments, claims, arbitration proceedings or suits pending or outstanding against this organization or its officers.

Completed Projects: See Attachment, Exhibit A.
Current Projects: Contact us for a listing.

OWNERS AND OFFICERS:

Michael C. Smith

President

As the President and partial owner of MGI, Michael began as a truck driver for Metropolitan Glass in 1972. He completed a three year apprenticeship and became a journeyman glazer in 1975. In addition, he served as a Superintendent on several projects. In 1983, Michael became an Assistant General Superintendent, and the General Superintendent in 1985, later he was promoted to Vice President, before accepting his current position. He also attended Mesa College in Grand Junction, Colorado.

Gary Smith

Vice President / Chairman

The Vice President and partial owner, Gary has been with Metropolitan Glass since 1975. After a three year apprenticeship, he became a journeyman glazer in 1979 and after working as a Superintendent on numerous projects, he became a Project Manager in 1982. Subsequently, he became a Senior Project Manager in 1989. Gary is a member of both the Colorado Glazing Contractors Association (CGCA) and the Association of General Contractors (AGC).

Ronald Smith

Secretary / Treasurer

Ron is the General Superintendent and partial owner, he started in the warehouse managing insulating glass production beginning in 1977, in 1981 he began his three year apprenticeship to become a journeyman glazer, after eight years of glazing experience, Ron became a Job Superintendent in 1989.

KEY PERSONNEL:

Susan Sabin

Controller

Entered the construction industry in 1985 as a Senior Auditor for a local accounting firm, and joined Metropolitan Glass in January, 2004. Susan obtained her Bachelors Degree in accounting from Wichita State University and is a licensed CPA. She also earned a Masters Degree in Information Systems from the University of Colorado. She was employed by a local construction software company for seven years and also worked for a contractor as Business Accountant and I.T. Consultant.

Marty Richardson

Director of Business Development / Sales Manager

Marty entered the glass industry in 1981 as a glazer, afterwards, he completed an Associate of Applied Science Degree in 1988. He also became a Project Coordinator at Metropolitan Glass in 1988. He then worked as a Sales Representative for United States Aluminum Corporation. Marty rejoined Metropolitan Glass in 1996 as an Estimator, and is currently the Director of Business Development as well as Sales Manager.

Sean Moore

Pre-Construction Services / Estimator

As an intern for Metropolitan Glass in 2000, Sean immersed himself in coordinating, managing and estimating skills. He completed his Bachelor of Arts Degree in Business Administration at Augustana College in Rock Island, Illinois. He returned to Metropolitan Glass as an Estimator in Pre-Construction Services in 2001. Sean was the Treasurer for the CGCA from 2003 through 2006 and President from 2007 to 2008.

David Smith

Project Manager / Sales

Dave has been with Metropolitan Glass since 2003, after working with Chicago based glazing contractors, including work on projects like the Green Bay Packers Stadium. He also managed the major East Coast (New York and Boston) projects for Crescent Corporation, a leading national curtain wall manufacturer. Dave began his career in the glass industry in 1970 with North-Town Glass in Chicago, while completing engineering courses at Wright College in Chicago.

Curtis Thomas

Project Manager

Curtis began working as a Project Manager in 2001 – after working with Metropolitan Glass in the field as a Lead Glazer for five years. Previously, Curtis owned his own company in Texas and worked for a glazer for ten years. He entered the industry in 1976 as an Apprentice Glazer.

Amanda Hamill

Project Manager

Amanda grew up immersed in the glazing industry and always showed an interest the field. She has been with Metropolitan Glass since 2003, as a Project Coordinator and in 2007, she accepted a position as Project Manager.

Rick Taylor

Safety Coordinator

Rick is a Certified Safety Professional (CSP) and Certified Hazardous Material Management (CHMM). He joined Metropolitan Glass in 2004 as a Safety Coordinator. He has held safety related positions in construction, environmental deconstruction and demolition, hazardous waste operations and safety consulting. He has a degree in Chemical Engineering and Accounting-Management Science Option, from the University of Tennessee.
